

NATURE EXPLORATION

Discover local wild places with Earthroots Field School

Time: Fridays, May 11th through June 8th, 9:30 to 11:30 am

Location: Various sites in Coastal Orange County, near Newport Beach and Irvine.

Sea Star Village is excited to be partnering with Earthroots Field School to give local families the opportunity to discover wild places close to home.

Each week for five weeks, children and parents will be guided on family friendly nature walks in the wilder locations of Newport Beach and Irvine. The focus will be on the children's pure enjoyment while incorporating valuable information for the adults about water, plants, animals, survival skills, and natural rhythms. The walks will be guided by Jodi Levine-Wright, founder of Earthroots Field School and assisted by Christina Sbarra, founder of Sea Star Village.

This class is open to any child already enrolled at Sea Star Village or Earthroots Field School, along with that child's siblings and up to two (2) adult caregivers.

Space is limited, please register as soon as possible. Cost: \$250 per family.
